

# John Carroll School Giving Report

FOR DONATIONS MADE JULY 1, 2019 – JUNE 30, 2020

## Thank you for your support!

We are profoundly grateful to all members of the John Carroll community who made an impact during the 19–20 school year by investing in our school, its students and faculty. Because of your generosity, we are able to continue to make every John Carroll experience possible and to make a difference in the lives of current and future Patriots. We could not do it without you and your gift to the Annual Fund—thank you!

### YOUR GIFT MADE A DIFFERENCE!

Equip every classroom with **state-of-the-art cameras and soundbars** to enhance distance learning

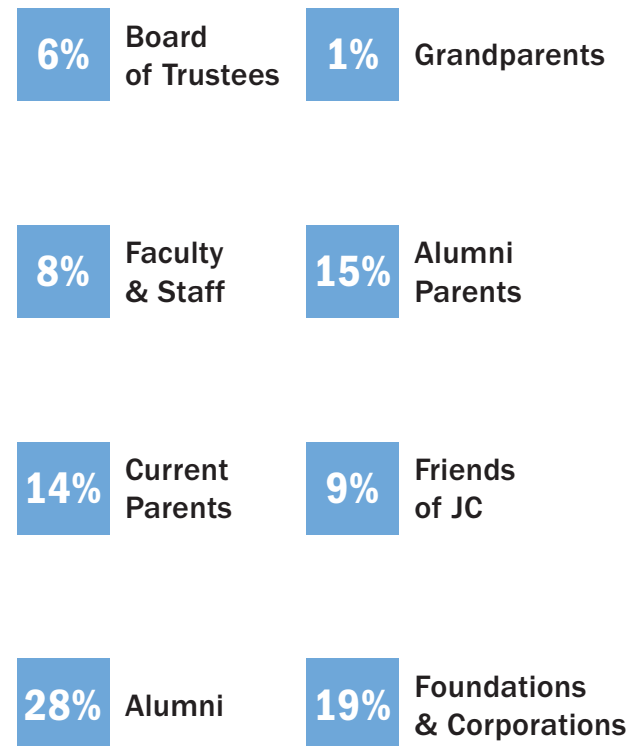

Complete vital campus renovations including repaving the oval, reconfiguring the vending area and continuing new lighting in the Student Services hallway

## Donor Spotlight

**Mark and Karen Lazoff** fully embody the meaning of the “all in” Patriot spirit at John Carroll. As parents of **Adam '12** and **Ben '21**, Mark and Karen have dedicated over a decade of support to John Carroll through their volunteer efforts, event sponsorships, trusteeship, and support of the Annual Fund. Supporting the Annual Fund's efforts is important to the Lazoff family. Mark feels “it is our duty as a parent to help where we can whether financially, volunteering or preferably both. We are in this as a team and the school cannot accomplish this alone.”

As Chair of the Parent Association, Mark Lazoff has consistently given his time to John Carroll and its students, faculty, and staff to inspire growth and leadership. Having served on multiple committees, Mark is dedicated to growing John Carroll and continuing to support its mission and values in any way possible.

Mark and Karen Lazoff are truly inspiring examples of parent involvement at John Carroll. With Mark leading the Parent Association during both of his son's tenures at John Carroll, the Lazoff's level of involvement and giving back to JC goes above and beyond. “Attending Parent Association meetings is a great way to meet and talk with the parents and to coordinate our efforts for the PA sponsored events.” The Parent Association is largely a team effort of enthusiastic and devoted members taking an active interest in the academic, social and moral welfare, as well as promoting fundraising endeavors and events of John Carroll. When asked what advice they would give to future parents of John Carroll, Mark and Karen said, “Get involved! The ‘behind the scenes’ effort will produce the results that we all expect.”

“  
 We support the John Carroll School so we can enhance the lives of students within our local community. We believe that investing in our youth today will enable them to be better leaders in our community in the future.”

“

*It is a true privilege to contribute to John Carroll. As a proud Patriot alumna and freshman parent, my donation is a small token of gratitude to thank John Carroll for all of the wonderful gifts and the positive, impactful experiences that have been shared with me and my family. Mere words cannot express how grateful I am for my excellent education, firm foundation of faith, outstanding opportunities to network with other proud Patriots, and the extremely supportive school community that has extended a warm welcome to my son. I believe in the mission of The John Carroll School and the students, teachers and staff working to build a better tomorrow. I am an extremely proud Patriot!!”*

“  
*John Carroll was a chanced opportunity for me which turned out to be the major factor in developing me into the person that I am today and set the direction for a successful and fulfilling life. It was particularly an honor to be a member of the first class of 1968 and the defining process of traditions set in place which still exist 50 years later. It all began in 1964 with a blank slate, construction still underway, new facility, staff and students converging to start a journey to define the future.*”
